## Program

1	9:30-9:35	<b>Opening Remarks</b>	Takao Saruta	Program director, Project of Translational and Clinical Research Core Centers
2		<b>Life-Science Innovation Infrastructure and Activity in Asia</b>		
		<b>Chairman</b>	Shigeru Kageyama	Program officer, Project of Translational and Clinical Research Core Centers
			Hideo Kusuoka	Program officer, Project of Translational and Clinical Research Core Centers
		<b>Korea</b>		
1)	9:35-9:45	<b>Life-Science Innovation Infrastructure and Activity in Seoul National University Hospital</b>	Yung-Jue Bang	Seoul National University Hospital
2)	9:45-9:55	<b>Data Driven Trial Optimization: Building a Trial Infrastructure</b>	Young-Suk Lim	Asan Medical Center, University of Ulsan College of Medicine
		<b>Taiwan</b>		
3)	9:55-10:05	<b>Infrastructure and Activity of Biotechnology Development in Taiwan</b>	Pan-Chyr Yang	National Taiwan University
		<b>Singapore</b>		
4)	10:05-10:15	<b>Operation Strategy and Infrastructure to Build and Support Research in Singapore</b>	Damien Hong Yew Hui	Singapore Clinical Research Institute
		<b>Japan</b>		
5)	10:15-10:23	<b>Activity and Achievements of Hokkaido University Hospital TR Center</b>	Norihiro Sato	Hokkaido University Hospital
6)	10:23-10:31	<b>International Expansion of Medical Device Development at Tohoku University</b>	Hiroaki Shimokawa	Tohoku University Hospital
7)	10:31-10:39	<b>The University of Tokyo "Advanced Center for the Establishment and Coordination of Biomedical Innovation Development Assistance"</b>	Nobuhito Saito	The University of Tokyo Hospital
8)	10:39-10:47	<b>Development of Advanced Medicine in Nagoya University Network</b>	Masaaki Mizuno	Nagoya University Hospital
9)	10:47-10:55	<b>Challenge and Achievement of Institute for Advancement of Clinical and Translational Science, Kyoto University Hospital</b>	Akira Shimizu	Kyoto University Hospital
10)	10:55-11:03	<b>Translational Research Activities in Osaka University toward Medical Innovation</b>	Akira Myoui	Osaka University Hospital
11)	11:03-11:11	<b>International Cooperation of Center for Clinical and Translational Research, Kyushu University</b>	Daisuke Sugiyama	Kyushu University
12)	11:11-11:19	<b>Translational Researches for New Oncology Agent Development</b>	Atsushi Ohtsu	National Cancer Center
3	11:19-11:30	<b>Discussion</b>		

The program is subject to change without notice.
